

II.

DECIDED ISSUES

It having been stipulated and agreed between the State Engineer and the affected parties that the Proposed Determination of Water Rights for the Blacksmith Fork Sub-division of the Cache County Division shall be amended as follows:

1. Water User's Claim No. 25-2855, owned by Albert E. Allen, is amended to show that the source of supply is from a drain rather than a well.

2. By mutual agreement of the water users, the waters of Holts Spring are apportioned as follows:

<u>Owner</u>	<u>Interest</u>	<u>Water User's Claim No.</u>
C.W. Hubbard	2/12	
(Alice Denney)		25-4620
(Anthony Baer)		25-4530
*Charles W. Hailes	1/12	25-5289
*Wayne Johnson	2/12	25-4865
*Joseph Rasmussen	2/12	
(Gary Wagstaff)		25-4866
Ivan Anderson	5/12	25-4867

*By separate agreement, Byron Snow obtained the right to divert water from Holts Spring during the period allotted to Charles Hailes, Wayne Johnson, and Joseph Rasmussen; not to exceed 80 gallons per minute. 25-4989

3. The following claims of the Division of State Lands are amended as follows:

- a. Water User's Claim No. 25-4590 is amended to show ownership in the name of the Division of State Lands instead of the United States Forest Service, and to include reservoirs in the NE $\frac{1}{4}$ SW $\frac{1}{4}$, Section 2, T9N, R4E, SLB&M.
- b. Water User's Claim No. 25-4571 is amended to show that it is not supplemental to Water User's Claims Nos. 25-4710 and 25-4711.
- c. Water User's Claims Nos. 25-4710 and 25-4711 are amended to include a reservoir under each claim.
